Mt.Takao

Theme A Field Trip for Adults

Mt. Takao is the very image of the elementary school field trip. Climbing the mountain as an adult, the bird songs and mountain air will bring back childlike excitement. Take a journey of nostalgic discovery.

4. SUMMIT OF MT. TAKAO

With a summit elevation of 599 meters, you can see across the heart of Tokyo, Okutakao, and Okutama. If the weather's clear, you can even see Mt. Fuji.

3. TAKAO-SAN YAKUOU-IN TEMPLE

First erected around 1,270 years ago, this temple is known as a site for Tengu believers. The vividly colored sculptures in the main hall are a sight to behold.
