Nature #04
Forest

Hinohara Citizens' Forest

Theme **Forest Therapy**

Morning forest outings can cure your daily routine blues. Enjoy the fragrance of trees, the whisper of wind, and the songs of birds. Refine your five senses and immerse yourself in nature to return to your true self.

A workshop where woodworking classes are held. Register to make a keychain on the same day.

This facility is a good starting point. Learn about forest creatures here.

Sweeping views that include even

A famous 30m waterfall at the end of the Otaki path.
