Nature #14

紅葉

Akigawa Valley

Theme **Looking for Autumn Views**

Vivid greens reflect off a clear stream in the Akigawa Valley. As fall approaches, embark on a journey for the best autumnal views, surrounded by the sounds of flowing water. The beautiful, rich autumn hues of red and gold will replenish your spirit.

Akigawa Valley

Autumn leaves Tour Map

Tokyo Ura-Yama Base
Representative:
Kenji Kamino

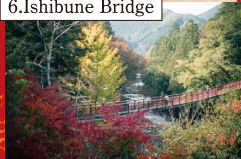

Akigawa Valley and the Hinohara Village area are home to expansive pastoral mountain landscapes and beautiful nature that will leave you wondering how this is still part of Tokyo. Every year in November, you can enjoy viewing maple, ginkgo and other autumnal trees throughout the area. Use an electric motor-assisted bicycle for a fun time cycling across the hilly countryside.

5. Kanoto Rock

Power spot at the entrance of Odakesan which is the focus of people's worship. A stream flows between the rock's 100 meter tall peaks.
📍 8020 Kanato, Hinohara-mura

6. Ishibune Bridge

A 96-meter pedestrian suspension bridge. It straddles the Akigawa Valley and leads to Akigawa Keikoku Seito-no-Yu Spa.
📍 Shiotsu, Akiruno-shi
