AKIRUNO | TOKYO TAMA

Akigawa International Trout Fishing Area

Theme **Mountain stream fishing**

Head on over to Akigawa Valley to experience mountain stream fishing. Drop a hook into the clear stream and aim for rainbow trout, yamame, or ayu. There's nothing sweeter than grilling your fresh-caught fish right there on the spot.

There are several fishing spots throughout Akiyama Valley famed for clear streams that can be enjoyed easily even by beginners. The surrounding scenery of the passing seasons is another one of the unique pleasures of this mountainous fishing area abounding in nature.
