Shiromaru Lake

Theme **Water Activities**

Glittering in emerald-green, Shiromaru Lake is a small lake encircled by forest. Stroll along the mirror-like surface of the lake among the echoes of wild bird-song. Cleanse your mind in the enchanting early morning mists and the beautiful scenery of the season.

Shiromaru Lake

Water Activities

The calm lake surface is the ideal arena for river activities.

We recommend the following activities to enjoy the water at your leisure at this small forest lake.

〔INFORMATION〕

36 minutes from Shinjuku Station JR Chuo Line Rapid bound for Takao, Transfer at Tachikawa Station and take the JR Ome Line 49 minutes, get off at Mitake Station
Okutama Tourism Association
0428-83-2152

2 Kayak

The calm lake surface is perfect for a kayak debut. Enveloped in the morning fog, summer-only early morning kayaks are also popular.

1 SUP YOGA

Challenge of variety of poses while balancing atop a stand-up paddleboard. Even beginners can enjoy their hand at SUP as the lake surface is calm and current-less.

1 SUP

Float with ease while paddling—SUP. Even beginners can enjoy their hand at SUP as the lake surface is calm and current-less.

1 Canadian Canoe

Gracefully enjoy the beautiful lake surface paddling on a Canadian canoe in plain clothes. A great activity for families and couples.

Shiromaru Lake Dam Tour

If you visit Shiromaru Lake, the spot you want to stop by is Shiromaru Control Dam. The huge spiral staircase called the "Fishway" which lets fish swim upstream is also a must-see.
