

Okuda Dyeing Factory

Theme **Craftsmanship**

Japanese traditional craftwork has been saved by the dedication and skill of the artisans who strive to maintain the methods passed down from generations of craftsmen. In Tama Tokyo, take the time to explore their work and observe their mastery, all while experiencing the joy of manufacturing.

Hand Printing

Hachioji
Okuda Dyeing Factory

Hand-printing (silkscreen), in which patterns are printed on cloth by dyeing one colour at a time by hand. In addition to the Cloth Planning Room, a gallery and laboratory attached to the factory, there is also the Okuda Juku, a workshop for creating works of art.

Tokyo Tama Hands on Activities

Experience traditional crafts that have taken root in Tama, Tokyo and make lifelong memories in hands-on classes, guided by master crafters.

Fun-filled fabrication in the town of textiles!

"Tsukuru no ie" was born in Nakanoue-cho, Hachioji City, which retains the vestiges of a textile town, and is a new platform for connecting makers and craftspeople in an open relationship. The 100-year-old house has been revitalised and aims to become a textile town for a new era.
