

Relaxation #12

Little Furry  
Animals

## Hino Tonton Zoo (Hamura Zoo)

Theme **Petting Animals**

Zoos never fail to bring a smile. Get in touch with the cutest of animals as you are being healed by each caress all the while.

# Fluffy animal fun, Hamura Zoo

awaits you

Since 1978, Hamura Zoo has been a cozy choice. The proximity achieved to the animals is utterly engaging. Enjoy each moment interacting with our furry inhabitants. Don't miss the handmade signboards full of love to the animals.

80 plus kinds of animals all dwelling together!

## Snow monkey

With red faces and hips, they are even more vivid during breeding season.

## Goat

You can feed from outside the fence for a fee.

## Humboldt penguins

It's so cute to see them waddling around.

## Northern giraffe

Resplendent three horned, long tongue leaf eater.

## Black-capped squirrel monkey

Friendly and long tailed Amazonian

## Red panda

A popular denizen who welcomes all with overwhelming cuteness.

## Macaw

A large parakeet with beautiful crimson colored plumage.

## Meerkat

Don't miss the upright iconic pose.

## Fischer's lovebird

Its name comes from the beautiful lapis lazuli body color.

Nihon Pond

Nakayoshi Zoo

Grassy Area

Okimono Zoo

## Guinea pig

Guinea pig in hand, healed by proximity every time.

Study Hall

## Let's go with the kids! Hamura Children's Centers

### Hamura City Children's Center

The spacious planetarium highlights the heavens as the telescope provides celestial observation.
