

Culture #04
Character

Inagi Pear Park

Theme **Local Manhall**

Spend more time staring at your feet and embrace your inner 'drainspotter'! Local manholes have been revamped and revitalised with this new project, with a variety of designs to mirror the charm of the local area. Can you find 'em all?

Higashi-kurume

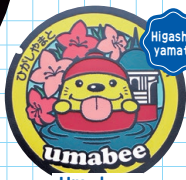

Black Jack

Five decorated manholes in honour of Mr. Osamu Tezuka, who spent his last years in Higashikurume.

©タツノコプロ・読売テレビ2008

Five designs based on the work of Kunio Okawara, including Gundam, Yatterman and Scope Dog, lie at your feet in Inagi City.

Tama

Rascal

There are three types of Rascal Manholes in tribute to the world renowned series "Rascal the Raccoon", produced by an animation company based in Tama City.

Manhole cover cards It's fun to collect!

Manhole cards are a card collection aimed at promoting the country's waterworks and revitalizing the region. There are various designs for each municipality, and you can get them for free!
