

Hachioji Castle Ruins

Theme **Castle Ruins Tour**

The mountain castle has no tower or buildings, but it remains steeped in deep, interesting history. Look beyond the modern world, there are plenty of things to see. Together, let's recall the romance of old Sengoku in the new era of Reiwa.

The big trench

HONMARUATO

A stone monument and shrine can be found near the summit.

HACHIOJI SHRINE

It is said that the enshrining of Hachioji Gongen was the origin of the place name Hachioji.

Another mountain castle!

Let's explore the ruins of Takiyama Castle

Set high in the hills, Takiyama Castle was built in the first year of Daiei (1521). It is said that it was built at the meeting point of three mountain ridges, and boasted strong protection. Try the AR app and view the scene as it was hundreds of years ago.
