

### HONMARUATO

A stone monument and shrine can be found near the summit.

### HACHIOJI SHRINE

It is said that the enshrining of Hachioji Gongen was the origin of the place name Hachioji.

### Another mountain castle!

## Let's explore the ruins of Takiyama Castle

Set high in the hills, Takiyama Castle was built in the first year of Daiei (1521). It is said that it was built at the meeting point of three mountain ridges, and boasted strong protection. Try the AR app and view the scene as it was hundreds of years ago.
