

MIDOLINO_

Theme **New Community**

A community space where connections are created each and every day, such as working and manufacturing in new ways. Share time with the people of Tama, in a place that is undeniably welcoming.

Inagurachi

Japanese
sweets
made at the
workshop are
recommended for
their natural
sweetness.

Connect with Tokyo Tama

The spirit of new community

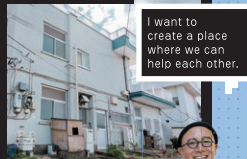

Community spaces are now places where
connections across regions are created. Visit spots
where you can come into contact with people and
culture as you expand borders.

An old employee dormitory
that has been redeveloped
into a "town dormitory".
The future of the project will
let it be used by neighbors.
Communal and Cozy.
