

Relaxation #01
Hot Spring

Okutama Onsen Moeginoyu

Theme Hot water for beautiful skin

An open-air bath with an eyeful of a crystal clear stream and majestic mountains. The scenery of the grove is reflected on the surface of the bath, becoming one with nature. A superb bathing experience that unwinds your mind and body.

Bubbling hot spring excursions amidst gorgeous vistas in Tama, the jewel of Tokyo

The west Tama area, endowed with rich nature, is dotted with popular hot springs. Take a rest in one of these Edens surrounded by lush greenery.

Okutama

Okutama Onsen Moeginoyu

Just 10 minutes from JR Okutama Station situated along the Tama River, this 100% natural hot spring open air bath drawn from deep underground makes you feel torn between the joys of bathing and the forest itself.

☎ 0428-82-7770 📍 119-1 Hikawa, Okutama
🕒 10:00-20:00 (19:00 from December to March)
Closed Mondays (the next day if Monday is a public holiday)

Hinoharamura

Hinohara Hot Spring Kazumanoyu

A hot spring facility popular among mountaineers. Resting on the back of a mountain, the verdure is in full sight from the open-air bath. Bubble baths and jacuzzis with acupressure are also prized.

Akiruno

Akigawa Valley Seotonoyu

Along the beautiful Akigawa Valley. It has a reputation for promoting beautiful skin. Enjoy a hot spring bath while feeling the scenery of the four seasons and the murmuring of the river.

Hinode

Syougai Seisyunnoyu Tsurutsuru Onsen

Alkaline hot springs renowned for providing smooth skin. An open-air bath known for its pleasant breeze, a large public bath with beautiful windows, a sauna, and a cold bath await you.
