

Relaxation #09  
Heartthrob

# Hinodeyama

*Theme* **The Reinvigorating Opulence**

You need not go far away to be impressed. Just go a little further into the depths. Deep along the trails of Mt. Hinode spectacular views await.

## Summit of Mt. Hinode

Many worship the sunrise from here. Upon reaching the summit you'll know why. At 903m, the view is sublime. Musashi Mitake Shrine awaits on the other side.

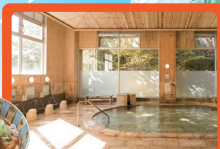

# HINODEYAMA

## Go at an easily pace to the summit of Mt. Hinode to reach a heavenly place.

Mt. Hinode is located between Hinode and Ome City. A very approachable summit with a 360° panorama that never fails to impress.

It is a pleasant time to soak in the lingering sound of the hot springs after climbing.
