

Relaxation #13  
Little Furry  
Animals

# Hamura Zoo

Theme **Petting Animals**

Zoo parks never fail to bring a smile. Get in touch with the cutest of animals as you are being healed by each caress all the while.

# Fluffy animal fun, Hamura Zoo

Since 1978, Hamura Zoo has been a cozy choice. The proximity achieved to the animals is utterly engaging. Enjoy each moment interacting with our furry inhabitants. Don't miss the handmade signboards full of love to the animals.

*awaits you*

80 plus kinds of animals all dwelling together!

Staff  
Ms. Yoshimura

**Snow monkey**

With red faces and hips, they are even more vivid during breeding season.

**Humboldt penguins**

It's so cute to see them waddling around.

Savannah Garden

**Northern giraffe**

Resplendent three horned, long tongue leaf eater.

**Fischer's lovebird**

Its name comes from the beautiful lapis lazuli body color.

**Goat**

You can feed from outside the fence for a fee.

Nakayoshi Zoo

**Black-capped squirrel monkey**

Friendly and long tailed Amazonian

Nihon Pond

Grassy Area

Okimono Zoo

**Guinea pig**

Guinea pig in hand, healed by proximity every time.

Study Hall

**Red panda**

A popular denizen who welcomes all with overwhelming cuteness.

**Macaw**

A large parakeet with beautiful crimson colored plumage.

**Meerkat**

Don't miss the upright iconic pose.

Let's go with the kids!

**Hamura Children's Centers**

**Hamura City Children's Center**  
The spacious planetarium highlights the heavens as the telescope provides celestial observation.
