## Isonuma Milk Farm

Theme **Hands-on Ranch Experience**

Cows go “moo” and dairy farmers love what they do. A ranch tour will deepen your appreciation of the blessed bovine. Milk, cheese and butter will become so much better.

Life on a tranquil ranch

## Holy cow! Cow interaction available now!

The lush Tama Hills are dotted with ranches that are open to the locals. Feed, milk the udders by hand for an utterly enjoyable time with the moo-moos.

Wouldn't it be nice to try your hand at dairy farming for a while?
