

Experience #15
History

Tokyo Hinode Bukeyashiki

Theme **Ninja training**

The origin of Ninja or Shinobi dates back to the Muromachi period and has been sparking imagination throughout history. Dedicate yourself to the integrated development of mind, skills, and body to become a full-fledged Ninja.

The ways of the horse mounted warrior

A comprehensive course where you can learn how to use weapons such as swords and spears as well as the ways of the equestrian. You can feel as though you were a warrior in the Warring States period. For elementary school students and above

Youzawa yajin-an
Ninjitsu teaches to be one with the surroundings, move unseen until it's time to act and master a myriad of tools to achieve one's aim. This is of great use in society and part of Japan's spirit.

☎ 042-588-4658
📍 1252 Yozawa, Akiruno

Fuma Ninja Training Experience

The ninja Fuma clan served the Sengoku warlord Hojo. After consultation, customized training allows you to learn true Fuma ninjutsu through lectures, martial arts, meditation and outdoor activities.

MONONOFU GUILD

We plan a lot of samurai experiences that you can do while riding, including mounted archery. You can receive guidance from stuntmen and sword fighters who are also active in the movie biz.

📍 5107 Oguno, Hinode
🕒 10:00-16:00/irregular holidays

Prepare your body and soul
The way of ninja in
the shroud of
Okutama's mountains

In the mountains surrounded by the rich nature of Tama, training grounds are to be found. There are plenty of programs that inculcate the essence of the ninja and samurai.

The real thrill of the experience is the realism by employing authentic ninja garb and practices.

Hinode Samurai Residence, Mr. Kubota
